General Conditions

This contract is a "Live Foal" contract. "Live Foal" is herein defined as a newborn foal, which stands and nurses without assistance. None of the above-described fees shall be refundable except as described below. However, Farm guarantees a return breeding for the following breeding season for said mare or an approved substitute should a "live foal" as above-described not result from this mating. Should this mating not produce a live foal, it must be evidenced by a written statement from a licensed veterinarian dated within one week from the date of death of the fetus, or in the alternative, a sworn statement from said veterinarian that the mare is no longer in foal and the date of fetus loss is unknown.

In the event of the death of the above-named stallion, this contract shall become null and void. All money shall be refunded to mare owner except the booking fee if the mare has not been bred. In the event of the stallion's death prior to the delivery of a live foal, the live foal guarantee as above described shall become null and void. Should the mare die subsequent to payment of the booking fee but prior to breeding, only the booking fee will be refunded to Mare Owner. No other fees or charges are refundable except as described in this paragraph.

It is understood that the breeding season for Farm commences on February 17 of the calendar year and terminates July 10 of the same calendar year. Mares that do not come into season or are not settled within said breeding season as above-described shall be carried over to the following year, or may be re-bred during the following heat(s) if it is practical for Farm to do so. In the event mare owner elects to rebreed during the following breeding season, Mare Owner agrees to pay any increase in the stallion service fee, chute fee, or mare care fee.

Sale of the mare by Mare Owner to another party or parties will terminate the live foal guarantee as set forth above and described in this contract unless same is acknowledged and accepted in writing by Farm.

Farm will gladly accept checks with a valid driver's license and major credit card number. A \$75.00 returned check fee will be charged for every returned check received by the Farm. Farm also accepts all major credit cards: Visa, Master Card, American Express and Discover Cards.
